

## Introduction

Peter Kelly Sensei, 8 Dan. out of Hobart, Tasmania (Australia), will be in Denmark for the first time. In 2019 he was appointed International Chef Instruktør, seen by Maruyama Sensei to pass on O'Senseis Aikido and philosophy..

Peter Kelly comes from a background as a professional volleyball player, and his dedicated curiosity to always seek out the margins and understanding on how Aikido works, has given him an insight which makes every meeting with him and his teaching a boost not only to Aikido in general, but to understand your own skills as well.

We are happy to present a summer camp which purpose is to make you a better Aikido practitioner.
